

Hi, my name is Irene and I am a teacher in a kindergarten in Cyprus (Paphos). Our school has 75 children ages 3 to 6. We work here 4 teachers daily and 2 more for some days. We are looking for others schools to join comenius programme. We are interesting in subjects as tradition and history, ecological subjects as water, animals and plants, music and dances (traditional), stories and mythology, all the same in a united Europe. If you are interesting to make partnership with us please let us know as soon as possible. Thank you.
