Planned outcomes of the project	Taking part in Comenius project will give us a chance to know other countries' culture and traditions. The priority of the school is to encourage students to develop a respectful attitude towards tolerance for different cultures and customs. We would like to concern with equality among people of different sexes, races and beliefs. We want to prepare students to know obligatory rules in European community. The one of these works is knowledge of foreign languages. Contacts will motivate the students to learn them.
Any additional information you would like to provide	Częstochowa is the city known due to the icon of the Black Madonna at the Monastery of the Paulin Fathers. Every year the shrine is visited on average by 4-5 million pilgrims. Our city has got about 240.000 inhabitants. We have beautiful landscapes and many interesting places worth seeing. Our school is located about 5 km far from the city centre. A lot of students attend to our school from

	<p>different parts of Częstochowa because we are very successful in education (the science, the humanities, foreign languages) and sport (our students train volleyball and swimming).</p>
