

Task 2

You have just returned from a trip abroad and found your house immaculately clean and tidy. Write a note for your neighbours to thank them for looking after your house so well, while you were away. Make sure you mention all the tasks they have done to make it look so great. Write a text of 100-120 words. (Marking: 10 points)

Dear Mr and Mrs Smith,

I've just returned from my trip to Spain and it was very nice to see my house so clean and tidy, you are very kind. I would like to thank you so I'm organizing a dinner for tomorrow. I love how the window glasses shine and how you put away all the clothes I forgot on the floor when I left. I think I had never seen my house so cosy, I love the walls just painted, the colour you have chosen is lovely. I would like to thank you specially for making the mice disappear, that was a big problem for me. Thanks as well for doing the washing up, brooming, making the bed, changing the broken bulbs...

I hope you can come tomorrow around 20.00 for the special dinner I'm preparing for you, and don't forget to bring the wine!

See you,
